## **Valuables Policy**

Dear Parent,

The focus of the PE department is the enjoyment and sporting progress of students in PE lessons through the curriculum and extra-curricular activities. Our objective is to engage students in physical education activities and provide them with a drive to sustain life-long involvement in sport.

I am writing to inform you of a change in procedure in relation to student valuables. The PE staff will not accept responsibility for the safe keeping of students' valuables which includes phones, jewellery or watches during PE lessons. This decision has been based on a small number of incidents, where valuables have gone missing or been damaged during curriculum or enrichment time. PE staff will take no responsibility for items that have been left either in the changing rooms or on the student in person.

In light of this, students are required to leave at home items that are of any significant value or are likely to be missed if lost during the day.

Thank you for your ongoing support.

Yours sincerely

Mr C Harris  
Subject Leader PE
