

Post 16 Dress Code

Students should be smartly presented and expect to adhere to a 'smart' dress code.

- Smart trousers –tailored trousers or chinos
- No jeans (this includes coloured jeans) denim skirts or jackets
- No shorts
- Skirts or dresses of a suitable length
- Leggings may only be worn under a skirt or dress
- Smart tops with short or long sleeves – polo shirt, collared shirts, (no T-shirts)
- Smart shoes (no trainers or baseball boots e.g. converse)
- No outdoor clothing to be worn inside the building
- No hooded tops or hats
- No visible facial piercings
- Post-16 Sports students may wear only Walton High PE kit
- No sweatshirts or sport/leisure wear

During the induction we would like students to dress smartly however we understand that not all students may have been able to purchase the appropriate clothing.

From September, students who make inappropriate choices in relation to the dress code will be sent home to change before they are allowed to attend lessons or make use of the study facilities. Absences resulting from such circumstances will be unauthorised.

Students will not be sent home during the induction but we would encourage them to wear smart attire.
