Principal: Sharon Alexander

Chair of Governors: Renu Elston  
Business Manager: Sukh Singh

7 September 2020

Dear Parent

## Wisepay

Walton High would like to minimise the amount of cash coming into school and go cashless as much as possible.

Every student has been set up with a Wisepay account and this allows for parents to prepay onto the students account to pay for any of the following items within school:

- School meals
- Stationery
- Hand sanitiser
- School trips
- Replacement cards
- Replacement keys
- Other contributions

Also set up on Wisepay within the general section is the school shop; this now allows for stationery to be purchased in advance and collected from Student Services at break or lunch time.

If you have any queries regarding Wisepay or require your logging details please contact [finance@mket.org.uk](mailto:finance@mket.org.uk)

Kind regards

*S. Singh*
