7 December 2020

Dear Parents

Positive COVID-19 cases

This morning we were made aware that over the weekend four students have tested positive for COVID-19. Two Year 13 students at our Brooklands Campus and a Year 7 and Year 12 student at Walnut Tree.

We are continuing to monitor the situation and are working closely with Public Health England.

Students who were sitting within two metres of the individuals in lessons, or who were close contacts in the 48 hours before the student developed symptoms (or their test date if asymptomatic), will need to self-isolate.

The parents of these students will receive a letter informing them that their child must stay at home and self-isolate for 14 days from the date of their last contact with the individual. The exact date will be in the letter they receive. If you do not receive a letter, there is no need for your child to self-isolate.

Due to the measures we have put in place, no member of staff will need to self-isolate.

Yours sincerely

Michelle Currie
Executive Principal
