Tuesday 24 November 2020

Dear Parents,

I am writing to confirm the arrangements that we currently have in place for Year 11 mock exams and the support we can offer students in preparing for these.

Mock exams

The Year 11 mock exams have been scheduled from Thursday 21 January until Monday 1 February and a timetable will be made available on Firefly and the website in the coming weeks to allow students to start preparing for these. The exams will begin at 9am to allow us to run three sessions within the school day and allow the students adequate break between different papers.

We will be reinforcing with students the importance of these internal mocks in light of the cancelled external examinations last year and assisting them with practical study techniques in each subject. It is vitally important that students take these seriously and that they approach them with the same rigour as the real GCSEs. In the event of another cancelled external examination season in the summer, we will be required to provide evidence for any Centre Assessed Grades that we submit.

Exercise books

Students will be allowed to bring their exercise books home over the Christmas period with their teachers' permission. Students will then be required to bring their books back after the completion of the mock exams.

Virtual revision information

Due to the current Covid restrictions, we are not able to run our usual revision evening for parents in the lead up to the mock exams. A copy of the presentations and resources have been made available for you to access at <https://waltonhigh.fireflycloud.net/year-11-revision-evening-2020-1>

Yours sincerely

Andy Bennett
Vice Principal – Walnut Tree
