Business Manager: Sukh Singh

Thursday 3 September 2020

Dear Student

I hope that you are looking forward to returning to school on Monday. Staff have been very busy the last few weeks preparing to welcome you back and to support you in your final year of study at Walton High.

Some of you may be feeling apprehensive about your return – and that is to be expected. I would like to reassure you that consideration for the safety of all our students and staff has been our utmost priority throughout the planning and preparation for this academic year. I have every confidence that you are all intelligent and empathetic young people who will follow the guidelines in order to protect yourselves and others.

Please arrive promptly to school for your first session on Monday 7 September. Ensure that you continue to check your timetable on Firefly and if you are uncertain regarding where you need to be then please arrive at the relevant site in plenty of time in order to check.

Furthermore, you will need to ensure that you are dressed appropriately in smart attire. It would be a very good idea to re-familiarise yourself with the dress code you agreed to follow at your enrolment; this is available on the website. You will need to bring your swipe cards and locker keys along with the equipment you will need for your lessons.

Remember that once you have entered the site you will not be permitted to leave for breaks, lunch or for study sessions. You will only be allowed to leave the site when you are leaving for the day. Therefore, you will need to put money on your Wisepay account to purchase food from either the Venue or the Café. Alternatively, you can bring food and drinks for the day with you.

Finally, I am very eager to welcome you back and am excited to see you all return to study the subjects you are passionate about. You have not stopped learning throughout the period of school closure so please do not worry about catching up. Staff know what you have and have not covered and are ready and prepared to support you in your learning. You have shown great resilience and dedication throughout the period of school closure and your return last June. These qualities will provide an excellent foundation for your success in Year 13.

I very much look forward to welcoming you back to Walton High. If you have any queries, please contact me.

Kind regards

Mrs R Read  
Assistant Principal P16
