23 December 2020

Dear Parents

Positive COVID-19 cases

Since yesterday's notification and up to 11:30 today, we have been notified that ten people have tested positive for COVID-19.

- One member of staff based at the Brooklands campus
- One member of staff based at the Walnut Tree campus
- Five students at the Brooklands campus. (Three in Y9 and two in Y7)
- Three students at the Walnut Tree campus. (One in Y13, one in Y9 and one in Y7)

Students who were sitting within two metres of the individuals in lessons, or who have had close contact during social time or out of school in the 48 hours before the students developed symptoms (or the date of the test in the asymptomatic case), will need to self-isolate.

The parents of these students will receive a letter informing them that their child must stay at home and self-isolate for 10 days from the date of their last contact with the individual. The exact date will be in the letter they receive. If you do not receive a letter, there is no need for your child to self-isolate.

I am sure you will be pleased to know, this is the last notification we will send to parents this year.

Kind regards

Michelle Currie
Executive Principal
