Introduction

This booklet provides information regarding equipment, our cashless catering system and uniform. You will be sent an equipment and catering form for you to complete and return.

If you need further details, or help filling in the form, please do not hesitate to contact the Finance Office for assistance on 01908 677954.

First Day

On their first day, your child will be allocated a locker. There is a £10 one-off charge for this. If a student loses their locker key, there is a £5 charge for a replacement. A £10 deposit is also required to cover possible loss or damage to school property, e.g. text books.

Your child will also be given their timetable, student planner, lunch card and any equipment packs that have been pre-ordered.

All students will be provided with a reusable Walton High water bottle when they join the school. These will be the only bottles allowed in classrooms.

Labelling of equipment and uniform

In busy changing rooms, it is easy for students to get their clothes mixed up and it is not unusual for young people to leave their belongings lying around! In order to ensure property is returned to its rightful owner, it is very important that all equipment and items of uniform are clearly labelled.

The following is available free of charge to students in receipt of free school meals when they are admitted to Walton High:

- Equipment Pack, Art Pack and Dictionary

The following assistance is also available for all students on free school meals during their time at Walton High:

We operate a cashless system for the payment of food at the till. Therefore no cash is accepted at the point of sale in the café.

This system offers many advantages to the parents and the students at Walton High. Students will be issued with cards on their first day and the cards will have the following uses:

- Cashless Catering
- Door entry (Post 16 students only)
- Library Card
- Textbook issuing card

Information on the cashless catering system can be found on the website. Please ensure you familiarise yourself with the system by following this link.

Wisepay

Parents will be sent log-in details for the online Wisepay system during August at the latest. Any completed forms must be returned by the end of term in July and the relevant payment made by the end of August.

Information for all students

Hair should be presentable in style, avoiding extremes of fashion. Subtle natural looking highlights or hair dyed to look natural is acceptable, although Walton High would prefer hair not to be dyed. Hair extensions should be natural in colour. Long hair must be tied back. Hair bands/scrunchies must be plain black or burgundy.

Make-up is not allowed for students in Year 7 to Year 9. Students in Year 10 and Year 11 may wear subtle make-up. If it is noticeable, it is not subtle!

Nails: extensions are not allowed. Clear nail polish only may be worn.

Piercings: only one small plain stud earring allowed in the lobe of each ear. No other piercing is allowed.

Jewellery: no jewellery other than a wrist watch. Walton High does not have lesson bells, so wearing a watch is important. For safety and security reasons other jewellery should not be worn.

Religious Headwear: a plain black or burgundy headscarf is acceptable and should be worn so that the face is fully visible.

Uniform

A condition of student entry to classes at Walton High is the wearing of full school uniform and strict adherence to our dress code. Parents are reminded that while uniform supplied by Maisies Superstore is our preference, uniform that is identical in style may be purchased elsewhere. The PE Kit is only available from Maisies.

Maisies Superstore in Wolverton is our supplier of school uniform and PE kit.

Lost Property

If your child loses an item of clothing or other personal possession, please encourage them to check whether it is being held by Student Services where all lost property is kept.

Across the course of a term, a significant amount of lost property is recovered. It is not possible to retain the volumes for long periods of time. It is therefore our intention to take unclaimed lost property collected across the course of a term to a local charity shop during the second week of the following term.
