Dear Parents

In September 2021, your child will be embarking on their Key Stage 4 courses and we are beginning the preparation for all that this entails.

To assist students in identifying their preferred Key Stage 4 curriculum; one that is both broad and balanced, as well as tailored to their individual needs, the following programme has been arranged:

April – May	Subject teachers to outline Key Stage courses and assessment structures in lessons
15 April	Key Stage 4 Information booklets issued – please keep this booklet for future reference Subject Preference forms issued
15 April – 30 April	In place of a face to face event, explanatory subject videos have uploaded to Firefly. Please take some time over the next weeks to view these with your child Information regarding the completion of the Subject Preference form, the subject videos and the process of submitting the form delivered to students during PSHE lessons
Week beginning 26 April	Completed forms to be discussed between student and tutor with tutor signing off the preferences
30 April	Deadline for handing in the Preference form to student's tutor

Ms Trawicka, SENDCo at Brooklands and Mr Umar, SENDCo at Walnut Tree are available to support students on the SEND register through this process.

The information that is provided through the Information booklet, the subject videos and from subject teachers is designed to ensure that you and your child are able to make clear, educated decisions that will bring them success at Key Stage 4. If you have any questions about the process, please contact your child's Head of Year in the first instance – Mrs Barnbrook at Brooklands and Mr Finn at Walnut Tree.

Kind regards

Mr S Coates  
Assistant Principal KS3 – Walnut Tree
