Dear Parents

Year 11 and Year 13 leaving date

In Update 36 sent on 25 March I advised *The Government had announced that Friday, 18 June would be the leaving date for students in Year 11 and Year 13. All students in these year groups are expected to attend all lessons up to that point.* However, since then the Department for Education has clarified that schools have flexibility to make their own arrangements.

Following feedback from students and parents, Walton High has decided to change the arrangements for after May half term.

Students in Year 13 and those in Year 11 who are not joining Walton High's Post-16 will now leave at the end of this half term, i.e. **Thursday, 27 May**. This change brings Walton High into line with other schools in Milton Keynes.

Those students in Year 11 who are continuing their studies at Walton High will be required to attend the Post-16 induction which has been brought forward to immediately after half term and will now take place from Monday, **7 June to Friday, 18 June**. Mrs Read, Director of Post-16, will be writing to students in the near future confirming a student's provisional offer as well as the arrangements for the induction programme.

We wish all those leaving us in Years 13 and 11 every success and happiness in the future and trust they will look back at their time at Walton High with fondness.

Yours sincerely
