Dear Year 13,

Please be aware that Year 13 Autumn mock exams will be taking place from Monday 8 until Friday 12 November. A full timetable for all exams will be available on Firefly. Study leave will be given in the morning for an afternoon exam and in the afternoon the day before a morning exam.

The purpose of the examinations is to provide both you and your teachers with an accurate picture of your current progress and attainment as well as to support you with moving your learning forward. It is also essential that you gain the experience of assessment in exam conditions.

It is imperative that you treat the exams as you would your final assessments and approach them with enthusiasm, dedication and focus. You need to ensure that you apply yourself diligently to your preparation and show exemplary conduct during the exams. It is vital that you use this time wisely and focus on how your hard work will support you in your next steps into higher education, apprenticeships or employment.

Please continue to use your subject teachers, tutors, year leaders and me to support you in achieving your maximum potential.

Kind regards

Ms R Read  
Director of Post-16
