Dear Student

**Statement of Entry for Exams - summer 2022**

Today you will have received your Statement of Entry for your exam entries this summer. Please check that the **"Name on Certificates"** is your legal name and the **"Date of Birth"** shown is also correct.

You should review this information to make sure you are entered for all the subjects expected. If you have any concerns you should contact the Exams Office by **Monday 28 March** to avoid late fee amendments.

The timetabled exam period commences on Monday 11 May. The Exam Boards have designated Tuesday 28 June as a "contingency day" for examinations. This means that candidates must remain available until then should exams have to be rescheduled due to either national or local disruption during the exam period.

The examination timetable by subject is published on Firefly and the school website. Subjects with a practical element such as Languages will have examined assessments that have already been completed or will be very soon. Class teachers will inform you of those particular dates and arrangements.

The Exams Office will issue a personalised **Individual Exam Timetable** to you in April, which will show date, venue, seat number, start and duration times for each exam.

You are reminded that the school pays the initial exam entry fees; we therefore reserve the right to reclaim this from you for either non-attendance at exams or failure to complete coursework. Should you be unable to attend an exam due to illness a medical certificate is required as soon as possible and sent into school for my attention.

Should you have any questions regarding the above, please feel free to contact the Exams Office.

Yours sincerely

Mrs S Gifford
Assistant Exams Officer
