Dear Parent

Residential visits

Thank you for choosing Walton High for your child's secondary education.

As mentioned in my Open Morning talk last October, Walton High is rightly proud of the wealth of opportunities it offers its students. One aspect of our enriched curriculum is the programme of residential visits offered to all year groups.

Accompanying this letter are details of the exciting trips we have planned for the Year 7 students who are joining us in September. One is an Outdoor Adventurous Activities trip to Lincolnshire (October 2022) and the other is a tour of the Bay of Naples in Italy which is being planned for when the students are in Year 8 (October 2023).

We are advising parents now of the Bay of Naples trip because by booking well in advance we hope it will help make the payment schedule affordable for as many families as possible.

Only students with an excellent attendance, punctuality and behaviour record are allowed on residential visits. If your child does not meet this criterion, please do not book a place on either trip as no refund will be given if your child is later not allowed to go because of an unsatisfactory conduct record.

Once again, thank you for entrusting Walton High with your child's education; we look forward to working with you over the coming years.

Kind regards

Michelle Currie
Executive Principal
